

## **Academic Qualifications**

**Ph.D. (Organic Chemistry)**—Completed Ph.D. thesis work under the supervision of **Professor Dr. Malek Taher Maghsoodlou** and **Dr. Nourallah Hazeri**, Department of Chemistry, The University of Sistan and Baluchestan, Zahedan, Iran.

**Thesis Title:** Study of Reaction Between Isocyanide with Activated Functional Group in Synthesis of New Heterocyclic Compounds

**Period of Study:** September 2008 – February 2011

**M.Sc.(Organic Chemistry)** —thesis for M.Sc. Degree in Organic Chemistry under the supervision of **Professor Dr. Malek Taher Maghsoodlou**, Department of Chemistry, The University of Sistan and Baluchestan, Zahedan, Iran.

**Thesis Title:** Reaction between Isocyanides with Aldehydes and  $\alpha$ -Dicarbonyles in the presence of Active Acetylenic Esters: Synthesis of highly substituted 2-Aryl Aminofurans.

**Period of Study:** September 2005 – February 2007

**B.Sc. (Applied Chemistry)**—Department of Chemistry, The University of Sistan and Baluchestan, Zahedan, Iran.

**Period of Study:** February 2002– February 2005
