Islamic Azad University, Science and Research Branch . Iran, Tehran
PhD -Engineering (Mechanical) 2018 - 2018
Energy Conversion

TECHNOLOGY SKILLS

Office	Advanced
MATLAB software	Advanced
Carrier HAP	Intermediate
EES	Intermediate
Aspen b-jac	Intermediate
Ansys	Basic	...

LANGUAGE SKILLS

English I can understand and speak, but sometimes a bit slow
Arabic I can understand and speak, but sometimes a bit slow

CERTIFICATE

Investigate and improve solar wiping chillers . 2016
National conference . IRAN

Calculation of building heat losses . 2016
National conference . IRAN

Win a third place in the Wickland startups (business) . 2017
Wickland startups . IRAN

**Executive Secretary of the Mechanical Engineering Department at the Graduate
Conference . 2017**
Open day confrence . IRAN

COMMENT

As a person of interest in a career in mechanical engineering (fluid).Iam am very passionate to share my expertise and experiences with your team and work in an environment with high skills and knowledge and this would be my vital motivation for promotion. Iam enjoyed implementing my idea and the speed of work gives me a twofold motive and slows down and gives you a definite feedback.
