

Course:

General English I & II

Credits: 2**Source:** General English**By:** Mahmood Alimohammadi & Hasan khalili**Main Objectives:**

The proposed source aims to introduce language skills to students. Therefore, the major focus is on words formation and how they are employed in the structure of words and consequently in various sentences. Students are expected finally to be able to read text and analyze their word formation. Besides, it is needed for them how to use dictionaries to approach words from different perspectives and discover the meaning(s) hidden in the phrase/sentences.
